Rummage Sale Results: Once again, thank you very much to all who supported our Rummage Sale with donations and purchases.

We offer a very special "Thank you" to those who gave their time, talent, and muscle to planning, setting up, working, and cleaning up. We owe all our success to you. We cleared $4053.28.

We were able to support LifeCare Center by selling some beds intended for them that they had no room for during their remodel. We were also able to give a special deal to a couple recovering from a recent house fire.

Father Anthony's Corner:

Sacred Heart Catholic Parish: Our parish community is comprised of 351 families. With our crest being "the Sacred Heart" we want to do our very best to foster community and growth in the faith. As a community, the presence of each family participating in the celebration of the mass and various other life moments in our parish is crucial to building a vibrant parish. I know we each have the freedom to attend mass in other parishes, and I suppose that's okay. However, if attending mass in other parishes occurs on a regular basis, a question for prayer and reflection is simply, how does being regularly absent from the most important sacrament our parish celebrates support Sacred Heart Catholic Parish?

Vacation August 16 through August 30th: Fr. Simon Peter Kyambadde will be at Sacred Heart Church for confessions and masses on the weekend (Aug. 21-22), and Fr. Keith Chadwick at Sacred Heart for confessions and masses on the weekend (Aug. 28-29).

Welcome Back Sacred Heart Grade School Students: During recent meetings with Mrs. Lisa Blaes, Principal, we reviewed the 2021-2022 academic calendar, school policies, proposed school budget, repairs and painting in the school, and subject of masks which has been highly debated in recent weeks. Regarding the latter, I understand our grade school students in their classrooms and during recess on the parking lot last spring never had to be reminded to put on their mask. Although students wore a mask on the parking lot, to see and hear them one would never know Ottawa was in the middle of a pandemic. Students, laughed, screamed, ran on the parking lot, easily talked with one another, spent time on the swings, played games, and in five words "were extremely happy in school." Welcome back and God's blessings be with each of you and your parents!

Catechesis of the Good Shepherd: Please see the insert in our parish bulletin explaining this new approach for catechesis being offered to children in our grade school for several years. Angie Cameron and Rosemary Pratt are trained catechists for Catechesis of the Good Shepherd which follows the Montessori hands-on approach to Faith Formation.

For many years, Angie Cameron has provided Catechesis of the Good Shepherd religious support to the children at Sacred Heart School. This year she and Rosemary Pratt will be providing this support to the children of the parish who attend on Wednesday evenings also.

WHAT IS CGS?

Catechesis of the Good Shepherd (CGS) is faith formation for children ages 3-12 based on the pillars of Scripture and Catholic Liturgy and the educational methods of Maria Montessori. Catechists must be certified through the United States Association of Catechesis of the Good Shepherd, which collaborates with the International Council (Consiglio) in Rome. Many parishes, schools, and homes around the world have an atrium, which is a space uniquely prepared to meet the spiritual and developmental needs of the child at each stage. Guided by the Holy Spirit, children deepen their relationship with God through their time in the atrium. There, they receive essential presentations from catechists and are introduced to materials that aid them in independently pondering the greatest mysteries of our faith.

The Wonder of the 3-6-Year-Old Child

The 3-6-year-old child is particularly capable of receiving and enjoying the most essential elements of our faith—the announcement of God's love especially experienced through Jesus, the Good Shepherd, who died and is risen. Materials on the life of Jesus Christ and his teachings help to make the mystery of God concrete for the child. The heart of the catechesis for children under six revolves around the Parable of the Good Shepherd. Jesus announces that he is the Good Shepherd who calls each one by name. The sheep listen to the voice of the Shepherd and follow him.

The 3-6 year old child enters the mystery of the Eucharist by first learning the names of the articles used on the altar and then through the most important gestures including the preparation of the chalice, the epiclesis and offering, and the sign of peace. Through the experience of seeing these gestures, presented one by one, the Mass

emerges as the Sacrament of the Gift. The child becomes acquainted with the historical character of the liturgy through the events of the Last Supper, Christ's death, and His resurrection.

Celebrating the Growth of the 6-9 Year-Old Child

The elementary age child is captured by the image of the True Vine. "I am the vine, you are the branches, whoever remains in me, and I in him, will bear much fruit, because without me you can do nothing." The proclamation responds to the deep need of these children to better know his or her relationship with God, family, friends, and the larger community. Moral parables offer a model for comparing their behavior with that of the Pharisee, the Tax Collector, or the Good Samaritan. The elementary children see the parts of the Mass—the Liturgy of the Word, the Preparation of the Gifts, the Eucharistic Prayer, and the Communion—as one unified prayer made of many smaller prayers. Children prepare for the celebration of First Communion (or Solemn Communion) through a series of communion meditations focusing on the relationship with Jesus. Preparation of personal missals filled with illustrations and prayers is also part of this preparation which helps to deepen their love and understanding of the Eucharist.

Honoring the Independence of the 9-12 Year-Old Child

The history of salvation focusing on the plan of God as a plan of communion, a plan which links all people together through God's love delights the older child. The emphasis is on our response to this unfolding generosity of God and recognition of the responsibilities that come with receiving God's great gifts and seeing oneself as a collaborator with God. "What is the kingdom of God and my place in it?" is a cosmic query which lays the foundations for a life commitment in relationship with God. Materials on the Prophets of the Old Testament, the Gifts of God, the Miracles of Jesus, and expanded presentations on Liturgy and Scripture can also be found in the Level III Atrium.
